

Dear Customer,

Thank you for your purchase of a Whirlpool Gold™ Home Cooling and Heating system, the world's number one brand in home appliances.

Your Whirlpool Gold™ Home Cooling or Heating unit will be replaced with a new comparable Whirlpool Gold™ model if your compressor or furnace heat exchanger should fail during the applicable warranty period, as described below.

HomeWise® Limited HVAC Warranty

HomeWise® Limited HVAC Equipment Warranty will replace a non-repairable Whirlpool Gold™ Air Conditioning or Heat Pump condensing unit or Whirlpool Gold™ gas furnace with new Whirlpool Gold™ equivalent equipment, if a heat exchanger or compressor fails within the applicable warranty period*. (A labor fee up to \$250 will be paid to the Whirlpool Gold brand dealer to help replace the non-repairable unit.) Major component is defined as a **compressor** when the installation is matched to a Whirlpool Gold™ evaporator coil, air handler, or **heat exchanger** in a Whirlpool Gold™ gas furnace. All units must be installed in accordance with factory installation instructions and all applicable local codes and maintained as recommended by the manufacturer. All units must be registered with Tradewinds Distributing, LLC within 30 days of installation or startup in order for the warranty to apply. **No consideration will be given to any product not properly registered.**

The Whirlpool Gold brand dealer will dispose of the non-repairable unit in accordance with state and local codes and ordinances after the claim process is complete and the unit label and compressor label are removed for warranty purposes.

The HomeWise® limited warranty applies to site-built residential use only.
